ECPD ACTIVITIES IN THE FIELD OF TRADITIONAL MEDICINE

In the process of implementation of the strategy “**Health for All**”, one of primary tasks of the **WORLD HEALTH ORGANISATION (WHO)** represents the **PROGRAM OF TRADITIONAL MEDICINE**, adopted in 1991 at the **World Health Assembly**. Having accepted all resolutions of the **WORLD HEALTH ORGANISATION**, **Yugoslavia** took the obligation to support through its institutions this **PROGRAM** and its five major areas of actions, defined as priority of the **WHO** in the area of **traditional medicine**:

- **Development of national programs**
- **Research of health care systems**
- **Clinical and scientific research**
- **Education and training**
- **Exchange of information**

This **PROGRAM** is carried out in various parts of Europe by the **EUROPEAN CENTER FOR PEACE AND DEVELOPMENT (ECPD) University for Peace** established by the **United Nations**, which places special emphasis on the preservation of **human resources for development** and conducts comprehensive **educational and research activities**.

In the field of **traditional medicine**, **ECPD** has so far conducted the following actions:

- Signed an **Agreement on Cooperation in Educational Postgraduate activities in the field of Traditional Medicine** with the **Federal Institute for Health Protection and Promotion**, Belgrade, on the basis of which the **Federal Commission for Traditional Medicine of Yugoslavia** was established, and its tasks are in accordance with the postulates, resolutions and recommendations of the **WORLD HEALTH ORGANIZATION**, which are in majority still valid today;
- Signed an **Agreement on Cooperation in Educational Postgraduate activities** with the **Faculties of Medicine, University of Belgrade, Novi Sad, Kragujevac, Niš, Banja Luka, Podgorica and Skopje**, with reference to the **ECPD INTERNATIONAL SCHOOL FOR TRAINING IN TRADITIONAL MEDICINE AND POSTGRADUATE STUDIES – at specialist, master and doctoral levels in traditional medicine, new technologies in medicine, health economics and organization, health management, etc.**;
- Established the **ECPD INTERNATIONAL PROGRAM for Biomedical Research and Traditional Medicine**, which was introduced in 1988. The Program includes: **ECPD INTERNATIONAL SCHOOL OF TRADITIONAL MEDICINE** and **ECPD CABINET OF TRADITIONAL MEDICINE**.

ECPD INTERNATIONAL SCHOOL OF TRADITIONAL MEDICINE

ECPD INTERNATIONAL SCHOOL OF TRADITIONAL MEDICINE Belgrade was founded based on the ECPD UPUN's **goals and mission** in the field of traditional medicine and the **recommendations of the World Health Organization ON COMPLEMENTARITY AND INTEGRATION OF MODERN AND TRADITIONAL MEDICINE**.

The **School** is intended for **doctors, dentists and veterinarians**, as a **form of professional development**. **PROGRAM in traditional medicine** is divided in three levels of courses: elementary, intermediate and advanced. Since **1988 to the present date, 50 elementary courses have been organized (920 participants), 20 intermediate courses (512 participants), 16 advanced courses (412 participants) and 25 integral courses (188 participants)**.

In order to improve the teaching process, ECPD concluded **COOPERATION AGREEMENTS** with following institutions:

- **International College for Acupuncture and Electro-Therapeutics, New York**
- **Institute of Acupuncture and Moxibustion of the Academy for Traditional Chinese Medicine, Collaborating Center WHO, Beijing**
- **Institute of Traditional National Medicine Russian Academy of Sciences, Moscow**
- **Ministry of Health of the Republic of Serbia**
- **Ministry of Health of Montenegro**
- **Ministry of Health of the Federation of Bosnia and Herzegovina**
- **Ministry of Health and Social Welfare of the Republic of Srpska**
- **South-Eastern Europe Health Network (SEEHN)**
- **Serbian Medical Society, Belgrade**
- **Faculties of Medicine in Belgrade, Novi Sad, Kragujevac, Niš, Banja Luka, Podgorica and Skoplje**
- **University of Belgrade, Ljubljana, Pula, Novi Sad, Niš and Banja Luka, Long Island University (USA), VAMK University (Finland), University of Berlin (Germany)**
- **Istituto Superiore di Sanità (Italy),**
- **National Institute of Public Health of Greece**
- **National Institute of Public Health of Mongolia**
- **World Federation of Acupuncture and Moxibustion Societies (WFAS) Beijing**
- **Liaoning Overseas Chinese Research Institute of New Medicine Shenyang**
- **ECPD Institute of Preventive Medicine, Political and Health Psychology, Heidelberg**

Participation in the courses delivered by distinguished experts in traditional and modern medicine from different countries allows complete and modern professional development of **doctors and dentists/orthodontists** and represents a step forward towards creating a comprehensive, unique system of medical knowledge with a view to achieving quality human life.

After the final examination is successfully passed, participants receive an **INTERNATIONAL DIPLOMA ISSUED BY ECPD UN University for Peace**, which is recognized in all **United Nations** member states.

CURRICULUM OF THE INTEGRAL COURSE IN TRADITIONAL MEDICINE AND ACUPUNCTURE

Introduction to traditional medicine

Traditional medicine and the World Health Organization

Systematization and classification of traditional medicine systems, methods and techniques

Folk medicine

Tibetan medicine

Mongolian medicine

Medico-legal aspects of traditional medicine

Specificities of Chinese traditional medicine

History of acupuncture

Traditional Chinese medicine I

Physiology and pathophysiology

Yin-Yang and Five Elements

Qi, blood and body fluids

Physiology of Zang-Fu organs

Etiology in traditional Chinese medicine

Differentiation of syndromes, eight principles

Learning about channels and points

General information on channels and points

Regular and extra channels and points

Specific points I

Extra points

Diagnostics in traditional Chinese medicine

Four diagnostic methods

Diagnostics of the pulse and tongue

Therapy in traditional Chinese medicine

Principles of acupuncture therapy and selection of points

Techniques of acupuncture and moxibustion

Microsystems in acupuncture

Modern medical science and acupuncture I

Contemporary explanation of acupuncture mechanisms

Methodology of scientific research in acupuncture

Homeostasis in modern and traditional medicine

Neurophysiological basis of acupuncture; role of autonomous nervous system

Changes in electric properties of the cell membrane for interpretation of acupuncture effects

Principles of embryology and acupuncture

Role of lungs in modern traditional medicine

Modern interpretation of autoimmune diseases

Integration of modern and traditional medicine

Practical exercises

Therapy methods and techniques of traditional medicine

Phytotherapy in our traditional medicine

Chinese phytotherapy

Qi-gong

Shiatsu

Tuina

Cranial acupuncture

Relaxation techniques

Energy nutrition

Ayurveda

Junani medicine

Chiropractic

Aromatherapy and chromo therapy

Homeopathy

Traditional Chinese medicine II

Pathophysiology

Pathophysiology of Zang-Fu organs

Learning about channels and points

Specific points II

Extra channels

Treatment by acupuncture in accordance with principles of traditional Chinese medicine

Bi syndrome and headache

Diseases of the nervous and locomotive systems

Diseases of the respiratory and cardiovascular systems

Diseases of the digestion system

Gynecology

Modern medical science and acupuncture II

Neurophysiological mechanism of pain

Endocrinological interpretation of stress and acupuncture

Obesity – etiopathogenesis, division and indications for use of acupuncture

Role of kidneys in modern and traditional medicine; initiation of normal mediatory factors of renal origin by acupuncture

Acupuncture and immune response

Thanatologic test of acupuncture points and their significance in court medicine

Basis of quantum – information medicine

Classical and quantum information channels in biological systems

Use of quantum – information medicine in diagnostics and therapy

Clinical use of acupuncture

- Acupuncture and psychosomatic diseases**
- Acupuncture in neurology**
- Acupuncture in ORL**
- Acupuncture in gynecology**
- Acupuncture in sports and physical medicine**
- Acupuncture in addictive diseases**
- Aesthetic acupuncture**
- Magnetic stimulation in pediatrics**
- Laser in acupuncture and electro-acupuncture**

Traditional Chinese medicine III

- Auricular acupuncture**
- Chronotherapy**

Modern medical science and acupuncture III

- Integrative function of the brain in the mechanism of acupuncture stimulation**
- Neuroendocrinal basis for the use of acupuncture**
- Stimulation of endotel of the blood vessels and acupuncture**
- Eicosanoid system from the aspect of acupuncture**
- Experimental research of effects of magnetic and electroacupuncture stimulations**
- Reography of the brain in the valorization of effects of acupuncture treatment**

Biophysical approach to acupuncture

- Qi Engineering**
- Biophysical nature of acupuncture and alerted states of consciousness**

Practical exercises

EUROPEAN CENTER FOR PEACE AND DEVELOPMENT (ECPD)
UNIVERSITY FOR PEACE ESTABLISHED BY THE UNITED NATIONS

**ECPD INTERNATIONAL SPECIALIST SCHOOL OF
TRADITIONAL MEDICINE AND ACUPUNCTURE**

(Belgrade, 4 – 29 November 2024)

APPLICATION FORM

1. Name and surname _____
2. Educational background _____
3. Specialty _____
4. Organization (name, address, phone, fax) _____

5. Workplace or function _____
6. Address for correspondence (if different than specified above) _____

7. Phone _____ Fax _____
E-mail address _____
8. Licence Number _____

The Application Form should be submitted to the European Center for Peace and Development UN University for Peace, Terazije 41, 11000 Belgrade; Tel: +381 11 3246 041; E-mail: office@ecpd.org.rs and ecpd@eunet.rs
